Must Read

1. The studio shoot is by appointment only and you are required to book your package with the link provided.
2. 100% payment is required to secure your booking.
3. The studio is comprised of an indoor studio and outdoor garden. You can choose either location for your shoot. If you're doing two dress changes, you're allowed to shoot one dress at the studio and one in the garden.
4. We have a dedicated makeup and changing room available for your convenience. If you plan to do your makeup at the studio, kindly arrive at least 1 hour before your scheduled shoot time. Please note: makeup room usage is limited to 1 hour—additional time will attract extra charges
5. The studio is located at Achimota Abc, behind the Vodafone office. Please find our Google Maps location in the link provided.
6. Editing and retouching take 5 days after the shoot. Plan accordingly. Express editing will cost an additional charges
7. We don't have a makeup artist at the studio, but we can recommend some excellent makeup artists to you.

Please note that after the shoot, you will be required to select the number of pictures included in your package.

For best results, we strongly recommend using a professional makeup artist. Kindly bring your makeup artist to the studio—this allows us to check the look under our lighting setup and make any quick corrections before the shoot. Great photos begin with great prep!
